*International Scientific Symposium*  
**«FROM PLANT TO MEDICINES»**

Dear colleagues!

On behalf of the organizing committee, we are very pleased to invite you to the International Scientific Symposium "From Plant to Medicines", which will be held on June 4-6, 2025 and will include the International Scientific Conference **«Achievements and Prospects of Developing New Herbal Medicines»** Scientific and Methodological Conference **«VI Hammerman's readings»**.

The Symposium will be held face-to-face and remotely (for foreign participants). The official languages of the conference, including oral presentations and papers, are Russian and English. Participation in the Symposium with a report and/or publication is **FREE OF CHARGE**. Accepted conference materials will be available online on the website, published in the conference book **indexed by the Russian Science Citation Index, and will be assigned a DOI number**.

**• International Scientific Conference «Achievements and Prospects of Developing New Herbal Medicines»**

CONFERENCE SESSIONS:

1. Mobilization of natural resources of medicinal and aromatic plants: biodiversity, bioecology, biological reserve, reproduction and protection.
2. The cultivation of medicinal crops: introduction, breeding, agrobiological.
3. Biotechnology for health care: problems and solutions.
4. Phytochemical study and standardization of medicinal plant raw materials, substances and the creation of modern dosage forms based on them.
5. Preclinical and clinical studies of herbal medicines.

**• Scientific and Methodological Conference «VI Hammerman's readings»**

CONFERENCE SESSIONS:

1. The significance of pharmacognosy for the development of a pharmaceutical professional.
2. Electives as a component of the process of shaping personalized learning paths.
3. Not only pharmacy: related areas of pharmacognosy in natural science education.
4. Panel discussion - The place and role of pharmacognosy in modern pharmaceutical education.

We will be glad to see you!

Materials for participation in the International Scientific Symposium "From plant to medicines" with a report and/or paper are accepted in the form where the relevant materials should be attached (paper in the format .doc (.docx)/ presentation in the format .ppt (.pptx) at the link: <https://forms.yandex.ru/u/676a61a602848f205d7e91a9/> , additional information can be found on the conference website: <https://vilarnii.ru/conference/>

## **PLEASE BE ADVISED!**

**The submission deadline for articles is April 6th, 2025, inclusive.**  
**The presentation deadline is May 4th, 2025, inclusive.**

### **Contacts:**

e-mail: [conference@vilarnii.ru](mailto:conference@vilarnii.ru)

phone number: +7 (916) 318 72 10

**Please take the utmost care in reviewing the provided materials in accordance with the design specifications!**

### **Requirements for the paper design**

1. Previously unpublished materials are welcome for consideration.
2. The maximum number of authors on a paper is 5. Each author is responsible for ensuring the accuracy of the content, including quotations, factual information, and statistical data presented in the manuscript. **Submitted articles will be reviewed by the editorial board and, in case of non-compliance with the requirements, may be rejected or sent for revision.** The size of articles is up to 5 pages, including a list of references (from 5 to 30 sources, search depth - up to 10 years), tables and graphs. The text of the article should contain information about the absence of a conflict of interest, data on the compliance of the study with ethical requirements and regulatory documents, and data on patients' Consent to the study, if applicable to this article.
3. Document design – 2.0 cm page margins on all sides, Times New Roman font, font size – 12 pt, line spacing - 1.0, width alignment. The paragraph indentation is 1.25 cm. The document is submitted in doc, docx format.
4. The Materials and Methods section describes the methods used (with references, if applicable) and the equipment used (manufacturer, country), as well as methods of statistical data analysis. The sections Introduction, Results and Discussion, Conclusions should be written in accordance with the formal requirements for these sections of a scientific article, be informative, and their content should correspond to the title of the article.
5. All tables and figures must be numbered and have a corresponding reference in the text. The axes and units of measurement for each graph or chart must also be clearly specified. Photos and micrographs must be presented as separate files in PNG, TIFF, JPEG, or JPG formats with a minimum resolution of 300 DPI.
6. The references are listed in the order they are mentioned in the text. References in the text of the article are indicated in square brackets [1], [2, 3]. Self-citation of more than 10% of the total number of literary sources is not allowed.
7. You can find templates for articles and presentations on the conference website: <https://vilarnii.ru/conference/>

## Requirements for the report design

1. Previously unpublished materials are welcome for consideration.
2. There are not more than five authors. Each author is responsible for the content of their own contribution to the report. **Submitted presentations will be reviewed by the editorial board and, in case of non-compliance with the requirements, may be rejected or sent for revision.**
3. The size of the presentation is up to 15 slides, including the title pages.
4. To design the document, please use the large-format slide size (16:9) or the corresponding template, which is attached to the Information Letter and is also posted on the website: <https://vilarnii.ru/conference/>
5. The document is submitted in ppt, pptx format.
6. Tables and figures should be numbered. We recommend using a font size of at least 18 pt.
7. You can find templates for articles and presentations on the conference website: <https://vilarnii.ru/conference/>

Sincerely yours,  
Organizing committee

*We would appreciate it if you could circulate this letter among those who might be interested.*
